

Under 35's Lecture Series 2019

The details shown below are for this upcoming membership event for your information and participation. This event is published on our Website and our Linked In page

Event name	Under 35s Re Lecture – Andrew Winyard, Head of Casualty Re, Atrium These lectures focus on topics of interest to our Under35s membership and have included reviews of the RI market, understanding blockchain, cyber overviews, peril/catastrophe focussed talks and insights from senior members from the industry. They are a great way for the U35s membership to hear from senior executives from across the market in an open forum, discussing topics of current interest in an accessible but detailed manner.
